Continuation of the Muslin Underwear Sale

We skip the froth and print the pith of this May Underwear Sale.

Night Gowns, 29c. to \$6.49.
Corset Covers, 7c. to \$2.69.
Chemises, 19c. to \$4.74.

Don't gauge our qualities by our prices. Falling into such error means warping your judgment. The consequence may create prejudice that will affect your purse unfavorably. Make comparisons. Measure the Macy values by all offerings elsewhere. That's the crucial test.

Umbrellas---Worth \$3.00 to \$5.00

The handles alone are worth the price we ask—and each Umbrella, in quality and finish, is in harmony with its handle—pure silk, black and colors, steel rods, paragon frames.

The ones for women have pearl and ivory posts with sterling silver knobs, fancy Dresden, horn and several other desirable styles. For men—plain and sterling silver mounted natural English wood. Made to retail at from \$3.00 to \$5.00; our price \$1.97.

A large assortment of Parasollettes, to shield your eyes from the glare when walking or driving—black and colors—trimmed with chiffon, lace and dainty ribbon ruffles, \$2.98 to \$4.98.

Toilet Preparations

Toilet preparations made in our own laboratory. We know they are pure. No guesswork about that. Our methods mean we can undersell competition without deteriorating qualities. Every article bearing the Macy brand contains the very best ingredients. You will find all of them meritorious, safe and very much less than others ask for doubtful grades.

Macy's Genuine Almond Meal, not blended with oatmeal. Subject it to the boiling test; half pound jar, sold elsewhere at 50c; our price, 28c.

Macy's Genuine Cold Cream, free from the ordinary petroleum jelly that is frequently used as a substitute for the soothing and efficacious almond oil; 2 oz. jar, 10c; 1 lb. can, 32c; pound jar, 50c.

Macy's Supertine Face Powder, not coarse, but very carefully manufactured and so fine that when delicately applied it is practically imperceptible; white, flesh, brunette and pink; large box, 24c.
